Event venue
Kulturama

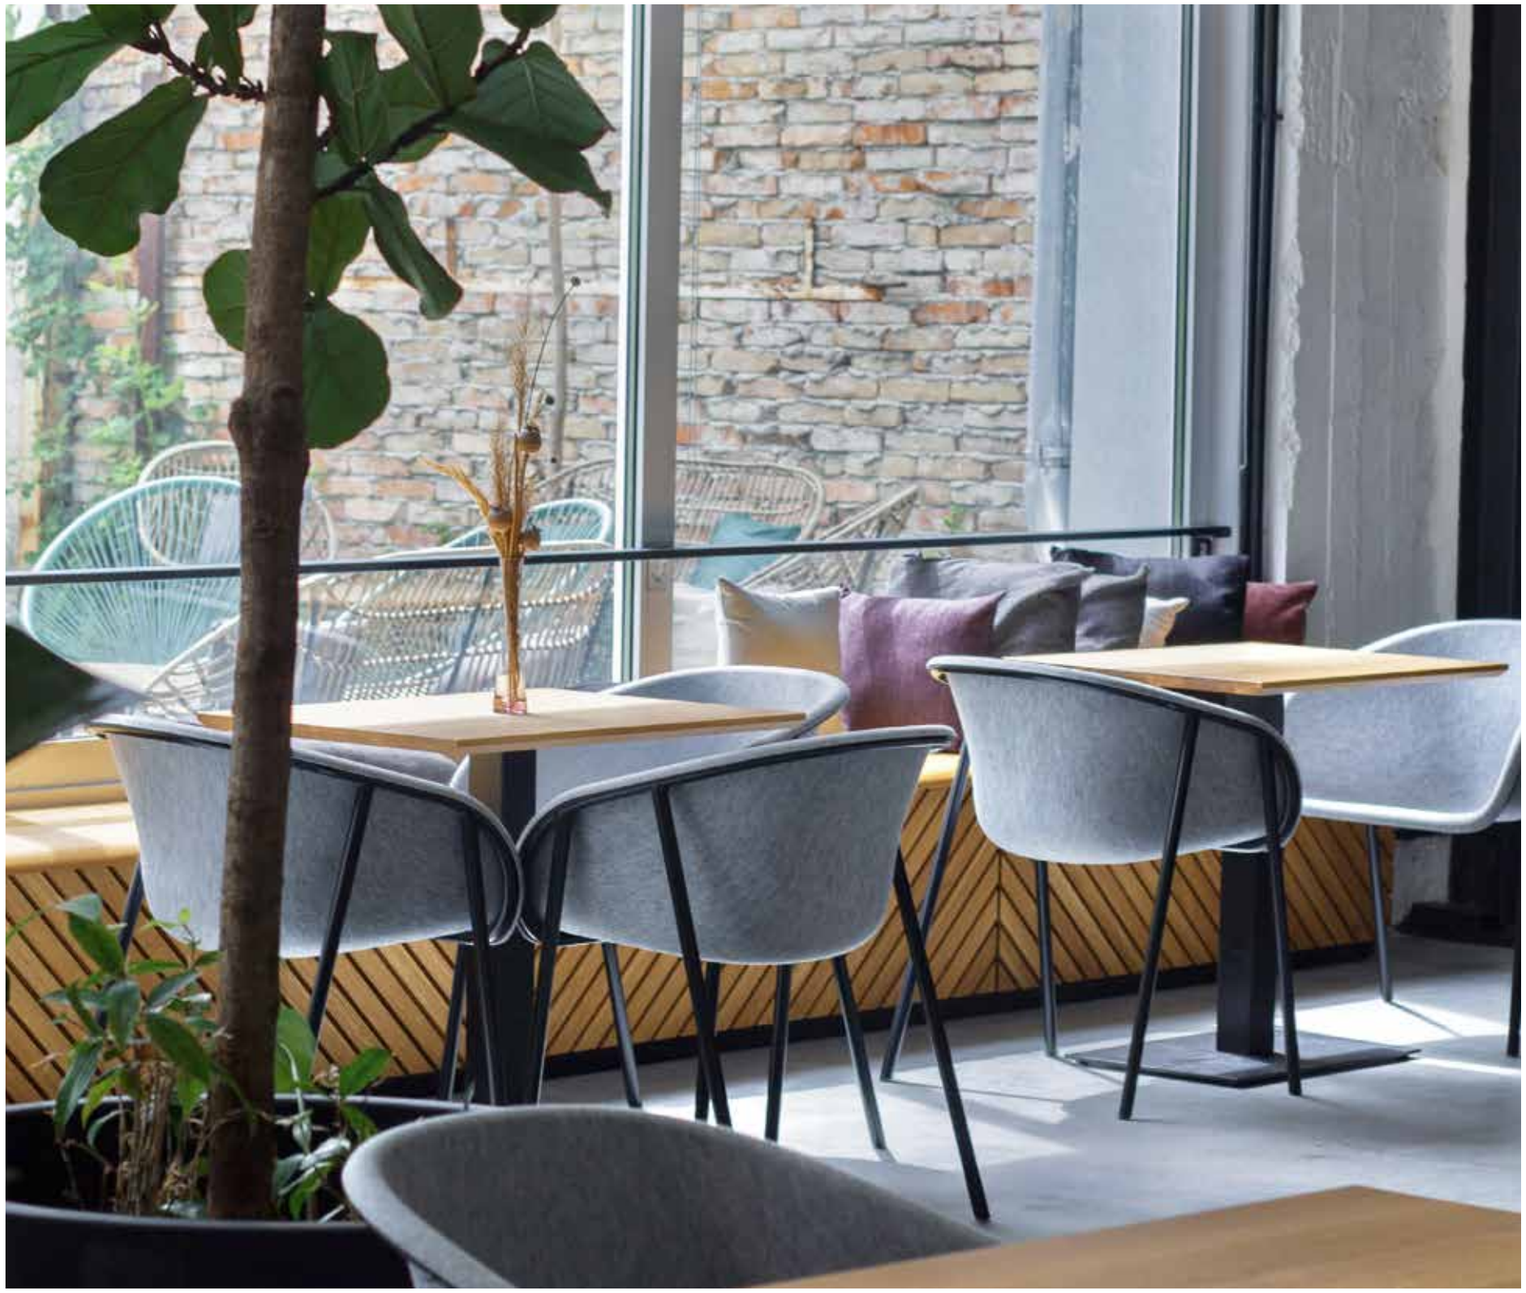
The righr place
for your event

Everything you need in one place, under one roof
a multifunctional event space featuring a unique industrial interior
and premium catering services by Soupa Bistro.

Located just minutes from the city center
near Račianske Mýto, it offers excellent
public transport links and nearby parking.

How did Kulturama come to life?

For our bistro, Soupa—which has been operating successfully on Koza Street for ten years—we spent a long time searching for new premises. We needed to expand our kitchen to keep up with the growing demand for our catering services. This led us to transform a former garage into a sophisticated, modern space: Kulturama. In addition to a fully equipped modern kitchen, we added a complete event venue featuring a gallery and a training room.



An interior designed with ecology **and sustainability at its heart**

The industrial aesthetic of Kulturama is balanced with warm oak accents.

Sustainable seating: De Vorm furniture crafted from recycled PET bottles.

Recycled materials: Bathroom surfaces made from repurposed tires.

We utilize solar energy through panels installed on the building's roof.
